Testimonial / Letter of Recommendation

The team of Business Team Translations has been providing translation services for us since the beginning of 2009. The net value of our orders from Business Team exceeds USD 20.000 and we have always been satisfied with their services regarding the quality of translations and deadlines as well. Their flexibility and resourcefulness made them an outstanding partner with whom we would like to cooperate in the long run.

i. H. Ralph Rösener
